Dear Business Owners & Friends in the Community,

The Coventry Lions Club invites you to become a sponsor of the Ninth Annual Chester County Blues Barbeque! The Blues BBQ has been a big success for our club. It has gotten more popular each year, with over 1400 attendees in 2017. That success has made it possible for us to attract great blues acts for great entertainment for the entire family. We believe that the Chester County Blues Barbeque is an excellent opportunity for you to promote your business to local & beyond consumers, while helping a worthy cause. This year, the proceeds will benefit a number of our Lions Club’s sight- and community-oriented projects.

About the KidSight Program

Our club is a major sponsor of the Lions KidSight program in Chester and Berks Counties. KidSight is a Lions Club program that provides initial eye screening for children ages six months through six years. The KidSight program’s goal is to prevent vision loss through early detection and treatment of the most common vision problems. More serious vision concerns such as amblyopia, more commonly known as “lazy eye”, has been identified through this very same screening. Using the equipment purchased through this program, Lion volunteers conduct free vision screening tests at preschools and other childhood centers. The child’s parents receive a confidential report of the results of the screening, and if anomalies are found, are advised to have a follow up exam by an appropriate eye care professional.
How you can help!

We generally have one major fundraiser per year that allows us to carry out these activities, as well as to meet other community needs as we identify them. Our major fund raiser is the Chester County Blues Barbeque. This is an ambitious undertaking for us, and we could use your help in making it a success.

We will be printing a program where we will include your advertisement. That gives you a chance to raise awareness of your business and products or services while also doing your part to help the Coventry Lions Club and the community. In addition, your business name will be mentioned during the event as well as year-round on both the Chester County Blues Barbeque web site and on our club website (www.coventrylions.org) to recognize your generosity.

If you would like to become one of our sponsors, please fill out the sponsorship form and return it by May 17 to any one of our members, or contact:
Leah Kinzinger (610) 804-9099 e-mail: CoventryLionsBluesBBQ@gmail.com

We appreciate your generosity and support. And don’t forget that we are always looking for new members who share our spirit of service to community.

Thank you!
